Alabama Farmers Federation**

RE: 2008 Women's Seminar, April 13-15

Greetings Everyone! I hope you are planning to attend the Annual Women's Conference at the Wynfrey in Birmingham. It will be here before you know it! I am very excited about the schedule of events the State Women's Committee has planned for you!

Enclosed you will find registration information that should be read completely. Destinations has been very thorough to provide you with helpful information for the Women's Conference. Please be sure to read everything pertaining to hotel policies and charges, name changes and fees. We want your stay in Birmingham to be as stress free as possible. If you have questions, Brittany Daniel in Destinations will be happy to assist you. Her contact information is enclosed as well.

We will have a table available for collecting pop-tabs for the Ronald McDonald House in Birmingham during the Women's Conference on Sunday afternoon. During the Annual meeting this past December we were able to share them with the RMH in Mobile. This will be an ongoing project of the Women's Division. In December of 2008 we will host a contest to see which county turns in the most pop tabs. You will hear more about this later.

Also, you will find a tentative agenda that will hopefully be helpful to you. We have some special surprises scheduled that I know you will not want to miss! So pack your bags and get ready to head to Birmingham for an informative and enjoyable time with ladies from across Alabama! See you soon!
